

To: All Developmental Pathways' Stakeholders

The Division for Developmental Disabilities is conducting a presentation and teleconference to outline the proposed changes to the HCBS-DD (Comprehensive), Supported Living Services (SLS) and Children's Extensive Support (CES) programs. If approved by the federal Centers for Medicare and Medicaid, the waiver changes would be implemented July 1, 2009. These sessions will provide you with an overview of the major proposed changes to the DD waivers, including new uniform service rates and spending caps for SLS and CES. While a few changes are proposed for HCBS-DD, most of the changes relate to the SLS and CES programs. There will be time following each presentation and teleconference for you to ask questions. We encourage you to attend one of the following:

TELECONFERENCE

Date: Monday, March 9, 2009
Time: 2:00pm to 4:30pm
Instructions: Reservation Conferencing:

- Access number: **1-866-258-0035**
- Room number: ***1095525***
*(the star key * must be pressed before and after your room number)*
- Wait to be added to the conference
