# Eighth Annual Gary Plumery Golf Tournament

“To remember Gary in ways such as this golf tournament, has been a way to make his spirit present with us. Knowing that all proceeds raised go to helping people with developmental disabilities means the world to me and the Foundation. The amazing generosity shown by our community always makes this day very fulfilling and rewarding.”

Rich Plumery

## The Gary Plumery Foundation

The Gary Plumery Foundation was established in 2000 as a nonprofit organization for individuals with developmental disabilities. Our mission is to improve the quality of life for local individuals with develop-

mental disabilities by providing them with the opportunity to attend sporting and social events.

Anyone who knew Gary knew how much he loved going to the Colorado Rockies' games, watching the Broncos, bowling and dancing. The Foundation's goal is to take as many individuals with special needs as possible to these types of events.

You can make a huge impact in the lives of people with developmental disabilities by participating in this tournament.
