

Sixth Annual Pathways Client Achievement Awards 2009 Fundraiser was a Success

On March 27, 2009, Developmental Pathways hosted our sixth annual Pathways Client Achievement Awards. The event honored the achievements of five clients of Developmental Pathways who have shown extraordinary progress in living with a developmental disability. In addition the Frances Owens Family Involvement Award honored Michelle Sie Whitten.

Pathways would like to thank all of the guests for attending and to our Community Sponsors for supporting us. The money raised goes to Pathways Partners which provides alternative resources that are not covered by state and governmental funding for people served by Developmental Pathways who are most in need of assistance and have no other funding source available to them.
